

BACK-TO-SCHOOL PARKVIEW PAW

AUGUST 2023

MESSAGE FROM OUR PRINCIPALS

Hello Parkview Middle School Families!

Welcome to Parkview Middle School! Can you believe it's time already to be receiving the Back-to-School Newsletter for the '23-'24 school year? We can't either, yet we are getting so excited about the new school year around the corner. This morning, we greeted two sessions of 6th grade students at "Getting Ready for Middle School" and saw all of the emotions of a new year on their faces...excitement, anticipation, nervousness, and everything in between. It is so fun to have students back in the building!

Speaking of students, please mark your calendars for YOUR student's first day of school:

- Thursday, August 31st - First Day of School for students with Last Names A - Leggitt
- Friday, September 1st - First Day of School for students with Last Names Lehrkind - Z
- Tuesday, September 5th - SECOND Day of School for ALL students

In order to help everyone settle in and students and staff to begin building relationships with each other in a smaller group setting, our "Soft Start" will once again occur on the first day of school for the two groups of students.

In addition to this newsletter, you can expect newsletter according to the schedule below:

- August: Back-to-School Newsletter, September, and October
- Holiday Newsletter: November, December, and January
- Spring Newsletter: February, March and April
- End of Year Newsletter: May and June

Please take the time to read through and make note of all of the important information contained in this newsletter and future ones. There are many important dates and upcoming activities for Parkview families and students that are important to add to your calendar.

For families NEW to our DISTRICT, please plan to join us at New Family Orientation on Monday, August 21st at Parkview. If you can attend, it will be helpful for us to know in advance. You may call our main office at: (920) 492-2940 and leave your name and number of immediate family members attending.

We will continue to send out weekly communications in our Weekly Wednesday online envelope so that you will be up-to-date on a weekly basis about what's happening at Parkview that your student may (or may not) be telling you. To ensure you receive all communication throughout the school year, please make sure your preferred email address is updated in PowerSchool.

We wish you, as a family, an enjoyable last few weeks of summer and we look forward to seeing our students back in the building very soon. Thank you for all you are doing in the coming days to prepare your student(s) for a successful and rewarding year ahead.

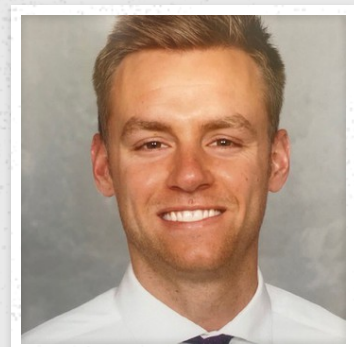

Sincerely,

Kris Hucek & Michael Heim
Principal & Associate Principal

SOFT SCHOOL START FOR 2023-2024

The start of the new school year is approaching quickly and we are FIRED UP to see students in our building again. It is going to be awesome to see familiar and new faces walking through the doors of Parkview Middle School.

Similar to last year, we will be changing up the first week of school and have a "soft start: for all students. This will ensure our students feel comfortable with the layout of the building, have time to begin building relationships with teachers in smaller groups, can learn more about our school environment, and better understand Parkview procedures and routines. Below, you will find a breakdown of the first three days of school:

Thursday, August 31, 2023: ONLY students with last names A-Lee attend on this day

Friday, September 1st, 2023: ONLY students with last names Leggett-Z

Monday, September 4th, 2023: No School-Labor Day

Tuesday, September 5th, 2023: ALL STUDENTS attend

NEW FAMILY ORIENTATION 2023 INVITATION

CO-CURRICULAR FEES 2023-2024

Students are encouraged to participate in the co-curricular programs offered at Parkview. Participation in activities, clubs, and programs, are offered in accordance with established school district activity codes. Students taking part in any co-curricular program which include sports, drama club, wall-climbing, Destination Imagination, etc..., will be assessed an Activity fee of \$20. This \$20 covers as many activities as they would like to join for the upcoming school year. There is a \$75 limit for district families.

If your student is planning on playing or participating in a co-curricular activity, we are asking that you pay for this fee as soon as possible so that required paperwork can be completed in a timely manner. You are welcome to pay online or at our Back-To-School Night event happening on Monday, August 28th from 3-5:30 p.m. We will accept cash, check, or a debit or credit card during this event.

Please email our Athletic Director at scondradt@ashwaubenonk.12.org if you have any questions.

ASD-LINKS TO PAY FEES

As a school district, we continually look for ways to make it easier for our families to pay fees whether it's for school meals or other school fees.

Please, click on the link below to access an Informational Graphic for more information.

PARKVIEW MEDICATION POLICY

School personnel will not administer prescription or non-prescription medications without a completed parent request form and a physician request on file if the medication requires a prescription. Parents who have a child attending Parkview who have special medication needs should stop in the main office or click [HERE](#) to access our Medication Administration Request/Consent Form.

BUS TRANSPORTATION

The school buses will be running the same approximate routes as last year. Lames Bus Lines will again be providing our transportation needs. If you are new to the district or have a question concerning pick-up times, bus numbers, etc..., please direct your questions to Lamers. You can reach them at 920-496-3600.

STUDENT PICK-UP & DROP-OFF SAFETY GUIDELINES

Students who are transported by school bus will be picked up and dropped off in the bus loading zone on the west side of our building.

Students who are transported by automobile should be dropped off and picked up in the circular drive in front of our school.

Please remember, that as you pull into the driveway in front of Parkview to drop off your child, you need to be in the right-hand lane and stay in the right lane as you pull up as far as you can to the light post past the Parkview Middle School electronic sign. The left lane in the driveway is the pull-out lane parents need to use after dropping off their son/daughter to exit the driveway. Some students and parents have discovered that the driveway at the Community Center on Anderson Drive is a safe and convenient place for pick-up and drop-off. We also have permission for parents to use the parking stalls at Target as a drop-off/pick-up option. Please do not park in the driveways of Target as this is a fire hazard.

Lastly, please, **DO NOT BLOCK THE HANDICAP PARKING SPACE** that is located at the front of our building at anytime during drop-off or pick-up. It is FEDERALLY mandated that handicapped individuals have access to this parking spot at all times.

DRESS CODE 2023-2024

As the start of the upcoming school year draws closer, we know that most of you are doing your Back-to-School clothes shopping, please click on this [LINK](#) to access and review our dress code policy.

This information will also be included in our student planners to reference throughout the year. Planners will be handed out to each Parkview student at the start of our new school year. Thank you for reviewing this with your student as you complete your back-to-school shopping for clothing and supplies.

2023-2024 PARKVIEW TECHNOLOGY UPDATE

For the 2023-2024 school year, ALL STUDENTS at Parkview Middle School will be provided with a Chromebook computer to use for the school year. Students will receive their Chromebook during the first few days of school which will be distributed by their family teachers.

Parents, please review the Responsible Use policy in our [Parent/Student Handbook](#) with regards to technology use and also, please, check your PowerSchool forms to make sure you and your student have agreed to the Chromebook Device Contract located under D1: Permissions and Agreements.

SCHOOL-TO-PARENT COMMUNICATION INFORMATION

As a reminder for returning Parkview families and new families to our school, we send out most of our communications through email.

At Parkview, we utilize our Weekly Wednesday Envelope to publish current and relevant information typically by 3:00 p.m. every Wednesday during the school year with the exception of Winter Break and Spring Break.

In this email communication, you will find Parkview school updates, Ashwaubenon District Information, as well as our Green Bay community-wide information that is relevant to our students and their families. We also publish our Newsletters in this envelope. The Newsletter schedule is as follows:

1. **Back-to-School Parkview PAW**-contains information for the months of August, September, and October
2. **Holiday Parkview PAW**-contains information for the months of November, December, and January
3. **Spring Parkview PAW**-contains information for the months of February, March, and April
4. **End-of-the Year Parkview PAW**-contains information for the months of May and June

Because this communication contains so much pertinent information, please, make it a habit to check the email links on a weekly basis so that your student does not miss out on something they would like to participate in or be a part of.

You can find our Weekly Wednesday Envelope on our website under Parkview Middle School: About Us-Weekly Wednesdays-Publications and Forms-Newsletters.

Other places you can look for updates and highlights about Parkview Middle School is on our Instagram account (@parkviewasd), Twitter account (@ParkviewASD) and/or on Facebook page (Parkview Middle School-Ashwaubenon).

We are looking forward to seeing your student here at Parkview and working with you to make sure that they have the best educational experience while they are here!
