Our united efforts serve to enhance and maximize the education of every student and thus, aid them in achieving their highest potential. The PFC holds fundraisers to obtain the monies necessary to provide our students with supplemental educational materials and experiences. It is our belief that the team effort of the PFC will offer the best possible learning opportunities and environment for our students. Our meeting guidelines are as follows: We will be engaged and present during our time together; problems or negative feedback are discussed directly with a focus on solutions; we will show respect for different working styles and personalities; and we will come prepared for the materials and topics outlined on the agenda.
