Parkview Student Earns Second Place in State Aviation Art Contest, Moves on to Nationals

Ashwaubenon, WI – March 19, 2012 – Hannah Brault, a seventh grade student at Ashwaubenon’s Parkview Middle School, has won 2nd place in the Wisconsin Aviation Art Contest. Hannah’s acrylic painting was selected out of the 437 entries submitted at the intermediate level for the state of Wisconsin. Hannah’s painting has been sent on to Washington D.C. for the next level of judging in the national competition.

The Wisconsin Aviation Art Contest is sponsored by several different National Aeronautic Associations. The theme of the contest is Silent Flight and students were encouraged to think of the different ways people travel through the sky solely on the power of the wind. Hannah’s acrylic painting depicted hot air balloons floating high above a colorful landscape.
