### **Ashwaubenon Fourth Grader Wins State Postcard Contest**

**Ashwaubenon, WI – November 22, 2011** – Samuel Stanko, a fourth grade student at Ashwaubenon’s Valley View Elementary School, has been selected as the state-wide Elementary School winner in the Wisconsin Association of Foreign Language Teachers (WAFLT) Discover Languages Student Postcard Contest. Students were to design a postcard which depicted this year’s WAFLT Fall Conference theme - *Languages, the Original Social Network*. Samuel’s design will be used when world language educators communicate to schools, homes and communities.

This is the second state winner for Ashwaubenon’s Valley View Elementary School. Last year, student Reece Maccaux won with his design depicting the theme *Creating Global Connections*.

The Ashwaubenon School District is one of the few districts in the state to offer a World Language Program for grades 1-12. Students have the choice to learn Spanish or German.
