

8/22/2022

ASD Parents/Guardians,

As a reminder, we need all parents/guardians to log into their Parent PowerSchool account at <https://ashwaubenon.powerschool.com/public/home.html> and complete the **Annual/Yearly Forms** for your child(ren).

In addition to these **Annual/Yearly Forms**, please review the information within the **Forms For New & Current Students** section and call your school's office with any changes that need to be made, as these forms are view only.

To watch a short tutorial on how to complete these forms, please click [HERE](#).

It is very important that these forms are completed each year to ensure that we have accurate information in our system for our students and families.

Thank you!

The Ashwaubenon School District
