Ashwaubenon DECA & Timsan's Partner to Donate to the Harbor House Domestic Violence Shelter

Ashwaubenon, WI – Feb 19, 2024– DECA students from Ashwaubenon High School team up with Timsan's Japanese Steak House to make a sizable donation to the Harbor House Domestic Violence Shelter in Appleton, WI. Recently, Timsan's agreed to donate 10% of sales from a Saturday night to the Harbor House. Additionally, Tim Long, owner of Timsan's matched the donation. In turn, DECA students, Riley Anderson, Nevaeh De Grand and Addison Heizler designed a logo for one of Long's new restaurants which will be reopening in Green Bay.

The Timsan's event was held as a part of the Community Giving Project that Anderson, De Grand, and Heizler will submit for the DECA State Competition coming up later this month. The project also included a Hygiene Drive at the high school and middle school where approximately $500 worth of needed items were donated to the Harbor House. Anderson, DeGrand and Heizler also made bracelets that were sold throughout the community, which raised $150. Additionally, these DECA members worked with Harbor House and donated their time during the Christmas season.

Ashwaubenon DECA is a marketing organization that prepares emerging leaders and entrepreneurs in marketing, finance, hospitality and management. Students compete in a variety of business topics, such as Community Giving. The State Competition will be held in February at Lake Geneva.

Timsan's Japanese Steak House is located at 1654 East Mason Street in Green Bay.
