- 12/25/23-1/2/24: Winter Break-No School
- 1/3/24: School Resumes

Note from Principal Carter

How can it be December already? I hope you all had a wonderful Thanksgiving break. I can tell the students were ready to be back and continue learning and seeing all their friends.

As the weather continues to get colder, please remember to have your students dress warm. Boots, hats, gloves and snow pants are a must. Students will go outside as long as the feel like temperature is above 0 degrees.

Our PBIS focus behavior of the month was Gratitude. Students learned about what gratitude is and how they can show gratitude at Cormier School. One example of them showing gratitude was when our students received their own brand new RIF book. They all showed such gratitude by saying THANK YOU to our FALL Lady helpers for the books! This month we will be learning about Empathy.

I hope you all have a wonderful holiday season and can enjoy time with your family and friends.

As always, Be Kind, Be Safe, and Be Responsible. That is the Cormier Way!

Sincerely,
Brian Carter

As part of the state accountability system, the Department of Public Instruction (DPI) produces report cards for every publicly funded school and district in Wisconsin. Each public school and district earns a "score" from 0 to 100 that is called an accountability index score. It is important to know that the 0 to 100 accountability index score is not a percent correct measurement. To view the district and schools' scores, you can visit our website at <https://www.ashwaubenon.k12.wi.us/district/district-performance.cfm>.
