THE HERALD HERO

VALLEY VIEW ELEMENTARY SCHOOL

IT'S THE JAGUAR WAY

MR. JASON FISCH, ASSOICATE PRINCIPAL

The second semester has kicked off with tremendous energy. It's astonishing to realize that we've already crossed the halfway mark of the school year. Both our dedicated students and staff are putting in relentless efforts every day, fostering an environment of continuous learning and growth at Valley View.

Each day at Valley View unfolds with exciting learning opportunities. Ensuring that every child is well-prepared for their day of learning is paramount, and this begins with a good night's sleep and a nutritious breakfast.

Students are enjoying the winter snow. It's imperative for them to bring their snow gear to school daily, including boots, snow pants, jacket, hat, and mittens. In case any item goes missing, we encourage students to check the lost and found near the gym, where many clothing items can be claimed.

In the spirit of fostering a positive and inclusive environment, we kindly remind everyone to treat each other with kindness and respect. Our commitment to creating a supportive community is a shared responsibility, and the simple act of treating each other kindly goes a long way in making Valley View a warm and welcoming place for all.

A heartfelt thank you goes out to our Valley View parents for their unwavering dedication. We function as a cohesive team, working collaboratively to support each child's learning journey. The pivotal role our parents play on this team is truly invaluable.

Thank you for your cooperation and understanding!

BIRTHDAY TREATS

Due to dietary restrictions and allergies, we would like to remind you to bring in non-food items to celebrate your child's birthday. We also do not accept drop offs of balloons or flowers as these are distracting in the classroom, and are difficult to bring home.

We are not trying to take the fun out of birthdays, but are trying to keep safety a top priority for our students.
