ASHWAUBENON SCHOOL DISTRICT COMMUNITY NEWSLETTER

BACK TO SCHOOL 2022-23

Message from Superintendent Weyers

Dear Ashwaubenon Students, Staff, and Families:

We hope everyone enjoyed a restful and relaxing summer break!

We are quickly approaching the start of the 2022-2023 school year on Thursday, September 1, 2022, and excitement is rapidly building to welcome our staff and students back to our schools. What makes our schools so special are those who bring our buildings to life – our students, staff, families, and community members.

The Ashwaubenon School District continues to be recognized for providing a high quality education to our more than 3,200 students. Our commitment remains unwavering to deliver the educational excellence our students

deserve and our village expects. The Ashwaubenon schools administrative team and school board work collaboratively with staff, parents, and community members to develop and provide ongoing opportunities for our students to learn and grow. Our vision remains uncompromised and as vibrant as ever.

“To achieve world class excellence in education so that each child can reach their full potential”

Our mission in the Ashwaubenon School District is to meet the needs of all learners, to ensure that every student reaches his or her full potential, and to vow that our graduates are prepared for life beyond our schools as they enroll into post-secondary education, join the military, or enter the workforce. In order to accomplish our mission, strategies such as the following are implemented and monitored:

- Provide a safe and nurturing learning environment
- Promote a clear and shared vision focused on student learning
- Create high achieving and positive learning environments for all students
- Use the PLC process to develop common assessments to measure student achievement and instructional practice
- Provide professional development opportunities for lifelong learning which leads toward the pursuit of quality and excellence

The accomplishments and recognitions of the Ashwaubenon schools are numerous and are the result of board and administrator leadership, teacher and staff dedication, student commitment, community support, and parent involvement. Now it is time to share ‘Our Story’ with all of our community stakeholders and for those beyond our district borders. We will continue to share ‘Our Story’ through social media platforms such as Twitter and Facebook using our tag-line, **#WeAreASD**. Please take time to explore our social media posts to get a glimpse of all of the amazing things happening in our schools every day. **We are always Stronger Together!**

I hope you are looking forward to a great school year. I know I certainly am. Let’s commit to striving to do our best this school year. Have a wonderful last few days of summer and Welcome Back!

With Unity,
Kurt Weyers
