ASHWAUBENON SCHOOL DISTRICT COMMUNITY NEWSLETTER

BACK TO SCHOOL 2021-22

Message from Superintendent Weyers

Dear Ashwaubenon Students, Staff, and Families:

We hope everyone enjoyed a restful and relaxing summer break!

We are quickly approaching the start of the 2021-2022 school year on Wednesday, September 1, 2021, and excitement is rapidly building to welcome our staff and students back to our schools. What makes our schools so special are those who bring our buildings to life – our students, staff, families, and community members.

The unprecedented experience over the last 18 months has united our Ashwaubenon School District community behind a more focused purpose to provide our 3,200 students a path to success and high achievement. We continue to strive to meet our very ambitious vision:

“To achieve world class excellence in education so that each child can reach their full potential”

This vision is just as achievable, just as promising as it ever has before. Now more than ever, we owe it to our students – all of our students – to help and guide them along the way. We are always Stronger Together!

A united school district, like a united community, offers many possibilities for our students. If you haven't noticed before, the word community ends with the word unity. I encourage all of us to work collaboratively in an united effort to provide the high quality education our students deserve.

I hope you are looking forward to a great school year. I know I certainly am. Let's commit to striving to do our best this school year. Have a wonderful last few days of summer and Welcome Back!

With Unity,
Kurt Weyers
