ASHWAUBENON SCHOOL DISTRICT COMMUNITY NEWSLETTER

SPRING 2021

Message from Superintendent Weyers

Way to go! I have been thoroughly impressed by your unwavering dedication, resilience, passion and strength as we have navigated these uncharted waters and unprecedented times over the past year. I am proud to be your Superintendent of Schools and grateful to serve such wonderful students, staff, and community members in all of you.

Our Ashwaubenon community has achieved great things despite the COVID-19 pandemic. I continue to hear many amazing stories from principals, staff, and families about the outstanding efforts of everyone to support our students. We have been truly tested, and we have persevered. In addition, we have witnessed many of you stepping up to support our Ashwaubenon community as well. As someone once said, **"It's your reaction to adversity, not adversity itself that determines how your life's story will develop."** All of you have reacted admirably.

Our schools may have operated differently over the last year, but the commitment and care that we continue to provide together for our students is another shining example of what makes Ashwaubenon great. **#StrongerTogether**

We have many things to celebrate, and we have all of you to thank. Please accept my sincere appreciation and acknowledgment of your hard work, dedication, and flexibility to provide a high quality education to our students. It truly takes a 'village' to raise our children.

With gratitude,
Kurt Weyers
