Ashwaubenon Hires Jason Hill as Baseball Coach

Ashwaubenon, WI – July 18, 2023- Ashwaubenon High School has hired Jason Hill as the next baseball coach at Ashwaubenon High School.

Activities Director/Associate Principal Nick Senger said, “I am excited for Mr. Hill to lead this program. Coach Krueger did an outstanding job the last seven years and left the program in a very good place. I would like to thank him for his time leading the program. Mr. Hill has coached at both the freshman and JV level for our baseball program the last few years. He has also been involved in Ashwaubenon Youth Baseball for the last nine years. In his first 10 years teaching and coaching at AHS he did an outstanding job leading our girls golf program. Mr. Hill is a tremendous teacher in our math department. I see him translating the way he teaches students into the way he coaches baseball. I know our student-athletes will be prepared and ready on the diamond with Mr. Hill leading us. I’m excited by his passion and knowledge for the game, ability to connect with student-athletes, and his excitement to lead our baseball program.”

Hill said about being named coach, “I’m excited to take over the program. It is a privilege to teach and coach at Ashwaubenon High School and we will continue to compete and represent the Ashwaubenon community with high levels of baseball play. I look forward to getting to work and helping the student-athletes in the baseball program become outstanding players and better young men!”
