

Cormier School

November 2023

Letter from Principal Carter

What another great month we had at Cormier School. Thank you to all of you that came to Fall Fest. It was great seeing all the students, staff, and families having so much fun. Check out our Cormier Facebook page for photos from the night.

Our PBIS focus behavior of the month was "BEE'ing Responsible". Students learned about what responsibility is and how they can be responsible at Cormier School. Our 4K teachers once again went into our Kindergarten classroom on the half day and taught a responsibility lesson. Some of the ways we challenged the students to show responsible behavior is by making sure their cubbies were neat and that they brought back their library book on the day they went to the library. The students did an awesome job and were very responsible!

I am looking forward to seeing everyone at conferences. You truly make a difference every day in your child's education and we are so happy to work alongside you in your child's educational journey!

As always, Be Kind, Be Safe, and Be Responsible. That is the Cormier Way!

Sincerely,
Brian Carter

Parent/Teacher Conferences
