

NEWS FROM

Cormier School

OCTOBER 2023

What a great month of school we have had at Cormier! The students are doing amazing following our expectations and routines. They are truly “BEE”ing Kind, Safe, and Responsible. I am so proud of them.

Over the past month we have been focusing on being safe and learning about respect. We practiced our A.L.I.C.E drill and talked about fire safety. The students did a great job during the drill and got to see where our safe spot would be if we needed to leave Cormier School. We also have incorporated morning meetings with the students to build relationships and learn important life skills. For the month of September, we had lessons on RESPECT. Students learned what respect was and how they can show respect to themselves and others. The kindergarten students also had a lesson on respect taught by our 4K staff during the early release day. Please ask your student about these lessons and what they learned about respect. This month students will be learning about RESPONSIBILITY!

I am looking forward to seeing you all at our Fall Fest on October 12th. It is a great way to connect with our staff and other families. It will truly be a great night.

As always, Be Safe, Be Kind, and Be Responsible. That is the Cormier Way!

Sincerely,
Brian Carter

cold weather reminders

Here are some tips to make dressing easier for your children at school!

- Do consider purchasing:
 - mittens vs. gloves
 - shorter jackets vs. longer ones
 - jackets without liners
 - boots without liners or ties
 - snowpants without straps.
- Don't send items that are frustrating for your child to manage. Students want to get out to recess without delay and have fun with their peers!
- Be sure to label snowpants with child's name or initials (they get mixed up with peers at times)
- If you have not done so already, please be sure to send an extra set of winter clothes in a gallon zip lock bag (undergarments, socks, pants, long sleeve shirt)
