Ashwaubenon's Valley View Elementary Hosts Destination Imagination Workshop

Ashwaubenon, WI – February 5, 2010 – On Saturday, February 6, Ashwaubenon's Valley View Elementary School will host the Green Bay Regional Destination Imagination Instant Challenge Workshop. Competitive Destination Imagination (DI) teams, comprised of area students in grades three through twelve, will complete four instant challenges.

Participating teams will test their creativity, teamwork and problem-solving skills in the challenges. All challenge solutions must be completed within a given time frame. Team leaders will not appraise the teams but rather ask them questions to stimulate follow-up conversations and prepare them for the regional competition in March. The workshop will be fast paced, productive, and fun.

Destination Imagination is the world's largest competitive, creative problem solving co-curricular. It helps build students' skills in creative problem solving, teamwork, leadership, critical thinking, research and inquiry, innovation, technical design, construction, presentation and playwriting. More than 17,000 students in 45 countries participate in Destination Imagination annually.

For more information, please contact Diane Meinel, Valley View DI Coordinator, at 920-492-2935 extension 3325 or dmeinel@ashwaubenon.k12.wi.us.
