Parkview Middle School Hosts Winter Fair For Cormier Kindergarteners

Ashwaubenon, WI – December 16, 2009 – The winter and holiday spirit will be evident as Ashwaubenon’s Parkview Middle School hosts their thirteenth annual “Winter Fair” for Cormier School kindergarteners on Friday, December 18th. The kindergarteners will be paired up with Parkview sixth graders as they rotate through hand-on activities such as cookie decorating, face painting, storytelling, and crafts.

Lori Gehring, Parkview’s GLOBE (enrichment) Resource Teacher and coordinator of this event says, “Both groups of children benefit because the kindergarteners catch the joy of the season, and the adolescents experience powerful lessons in giving and guiding. The sixth graders serve as role models and truly create a winter wonderland for their young partners.” The event wraps up with a festive ensemble of 7th and 8th grade band students, as they lead a sing-along concert.

For more information, please contact Lori Gehring, Parkview Middle School’s GLOBE Resource Teacher, at 920-492-2940 extension 4119 or lgehring@ashwaubenon.k12.wi.us.
