Valley View Elementary Hosting Regional Destination Imagination Workshop

Ashwaubenon, WI – January 30, 2013 – On Saturday, February 2nd, Ashwaubenon’s Valley View Elementary School will host the Green Bay Regional Destination Imagination Instant Challenge Workshop. Competitive Destination Imagination (DI) teams in grades 3 through 12 from area schools will complete in four instant challenges.

Participating teams will test their creativity, teamwork and problem-solving skills in these challenges. All challenge solutions must be completed within a given time frame. Team leaders will not appraise the teams but rather ask them questions to stimulate follow-up conversations, preparing them for the regional competition in March. The workshop will be fast paced, productive, and fun.

Destination Imagination is the world’s largest competitive, creative problem solving co-curricular. It helps build students’ skills in creative problem solving, teamwork, leadership, critical thinking, research and inquiry, innovation, technical design, construction, presentation and playwriting. More than 17,000 students in 45 countries participate in Destination Imagination.
