ASHWAUBENON HIGH SCHOOL ALUMNI ASSOCIATION KICKOFF EVENT

Ashwaubenon, WI – September 25, 2012 – A group of Ashwaubenon High School alumni, with help from the Ashwaubenon School District, are in the process of establishing an AHS Alumni Association. They are holding a “kickoff” event during the Jaguars’ Homecoming Football game vs. Sheboygan North at Goelz Field on Friday, October 5th at 7:00 p.m.

A tent will be setup at the game where alumni can gather to visit with fellow alums along with current and former teachers and staff. Sign-up sheets will be available for those who want to provide their contact information and possibly volunteer to be on an alumni committee.

According to their mission statement, the Ashwaubenon High School Alumni Association is an organization committed to promoting fellowship among alumni, friends, and future graduates. One of the milestone events the association will be organizing and celebrating is the 50th anniversary of Ashwaubenon High School which will occur in 2015.

Alumni are encouraged to come and enjoy all Homecoming festivities taking place on October 5th. These include a tailgate party from 4:00–6:00 p.m., a parade at 5:00 p.m. and a halftime fireworks show sponsored by the AHS Parent Network.
