

Northeast Wisconsin Technical College and AT&T to Announce Grant to Support Workforce Development in Ashwaubenon

AT&T Investment & Innovation Grant to Support Mobile Tech Lab

ASHWAUBENON, WIS., April 25, 2013 – Northeast Wisconsin Technical College and AT&T announce an event to celebrate an AT&T Innovation & Investment Award to support their efforts to promote workforce development in Northeastern Wisconsin. The funding will be used to provide Ashwaubenon High School students a semester of education and training in the Computer Integrated Manufacturing Mobile Lab.

The celebration will take place Monday, April 29, 2013 at 1:00 p.m. at Ashwaubenon High School. Tours of the mobile tech lab will be available and students and educators will be on hand to describe the programs that the lab supports.

The AT&T Wisconsin Innovation & Investment Award program provides funding to local organizations that enhance and give back to their communities.

What: A celebration of sponsorship/support for the Computer Integrated Manufacturing Mobile Lab in order to encourage workforce development and education

Who: State Representative Chad Weininger
AT&T Director of External Affairs Robyn Gruner
Dr. Jeff Rafn, President of NWTC
