Ashwaubenon High School Places 1st in 2014-15 Metro Math League

Ashwaubenon, WI – April 13, 2015 – The Ashwaubenon High School Math Team placed 1st out of twelve metro area schools for math competitions held this school year. Senior Connor Laehn and sophomore Skye Vandeleest earned a spot on the eight-member All-Metro Team 1. Earning spots on All-Metro Team 2 were senior Tam Nguyen and junior Megan Fischer. AHS's Math Team is coached by teachers Sue Krausert and Cassie Burns.

The Metro Math league consists of twelve area high schools. Five competitions are held throughout the school year. Each competition has four individual rounds where students write answers to four math questions per round and, one team round where an eight-member team from each school works together to answer six more questions. Individual medals are awarded based upon the total score in the individual rounds and a plaque is awarded to the top scoring school at each meet. At the end of the season, the top eight scoring students, regardless of school, are placed on All Metro Team 1 and the next 8 are placed on All Metro Team 2.
