Parkview and Lineville Bands Meet for Exchange Concert

Ashwaubenon, WI – March 17, 2015 – On March 10, Ashwaubenon’s Parkview Middle School welcomed Howard-Suamico’s Lineville Intermediate 6th grade band to participate in an exchange concert. Over 300 6th graders participated in the concert which provided a wonderful opportunity for students from both schools to be able to share their music and talents with one another.

Both bands performed for each other and at the end, they combined to play “Let’s Go Band” as one large, combined band. This annual event also allows students to mingle, meet musicians and make new friends from another school. Congratulations to all of the musicians for their hard work!
