

Online Payment of Ashwaubenon Summer School Fees

You can now pay your Ashwaubenon Summer School fees online, through e-Funds for Schools.

This is the same vendor we use for Food Service online payments. However, Summer School uses a different e-Funds for Schools server so, you have to register as a new user and you will only see Summer School activity on this server (i.e. no lunch fees or payments). Payments can be made with either a credit card or debit (checking account) card.

The link to Ashwaubenon Summer School’s e-Funds for School online payment system is <https://eps.mvpbanking.com/cgi-bin/efs/login.pl?access=55918>.

On that website is a **Registration Guide** to guide you through setting up your account. To setup your new account, click the **Register Here** link under New Users.

When adding your children to your new e-Funds account, you’ll need to enter their **Student Number** into the **Student Number** field on the e-Funds system.

That Student Number appears on the **Fee Statement** shown to the right.

Fee Statements are emailed or mailed to you.

Fees can also be paid in person, with check or cash, at Parkview, Cormier and Ashwaubenon High. In-person payments at the District Office can be made by cash, check or credit card.
