Announcements

Welcome: The first week of school has been great! It's been a pleasure getting to know your children. I love them already!

Super Reader: On Monday we will be starting Super Reader. Be sure to check the newsletter every week to see when your turn is. We will be doing Super Reader all year. Be sure to pick out a book and practice it at home several times before reading it for the class.

Planners and Homework: Parents: be sure to check in your child's planner (which is located inside the binder) each night to make sure your child completes his/her homework. When homework is completed please sign the planner. Homework sheets will be found in the take-home folder.

Assignments and Notes for the Teacher: Anything that you need to send to me at school should be sent to school in your child's take-home folder.
