Announcements

We are making so much progress already. Way to go, 3rd Graders!

Planners and Homework: Parents: be sure to check in your child's planner (which is located inside the binder) each night to make sure your child completes his/her homework. Homework sheets can be found in your child's home folder. Papers that have been graded should be kept at home unless there is a note on the paper that tells the student to make corrections. I usually mark papers I've corrected with a star or other markings in multiple colors of ink.

Entertainment Books: Several students have not yet returned the Entertainment books that were sent home as part of a student board fundraiser. If you do not plan on purchasing the book, please return it to school. If you are purchasing it or selling other, please send the money to school in the designated envelope. Thanks for your help!

Reading: I am currently working on reading assessments with the students. Once those are complete students will start to have nightly reading homework. Look for more information to come in the next few weeks regarding this.

Field Trip: Many students have not returned their field trip permission slip, \$2 bus fee, and the quarry waiver form. Please return them as soon as possible. Parents, if you want to chaperone, please email me or send me a note so I know you plan on going. Any parent participating will also need to return the adult quarry waiver form.
