ASHWAUBENON SCHOOL DISTRICT PREARRANGED ABSENCE FORM

Dear Parent/Guardian:

Regular attendance is a responsibility that should be shared by parents, students, teachers and school. An extended absence of several days can be detrimental to student learning. It is usually assumed that learning can be easily “made up.” However, class discussions, activities, and peer interactions cannot be recaptured once they are missed.

Even though absences are prearranged and may be excused, attendance letters will be sent per state/Board policies.

If a student is absent from school without an excused absence, the student is considered truant. Under Wisconsin State Statute (W.S. 188.16) a student is considered to be a “habitual truant” if (s)he is absent from school without an excused absence for part of or all of 5 or more days on which school is held during a school semester. Habitual truancy may result in penalties under W.S. 118.15(5) and/or a referral to Social Services.
