MISSION STATEMENT

The AHS learning community provides a safe and caring environment that inspires all students to achieve their full potential.

Attention wizards and non-wizards! You are cordially invited to this year's Spring Play: **"PUFFS or Seven Increasingly Eventful Years at a Certain School of Magic and Magic"**, directed by Sarah Beaudo and Addie Thomas.

Shows will be held on Saturday, April 20th at 7:00 p.m. and Sunday, April 21st at 4:00 p.m. in the Performing Arts Center (PAC). Tickets can be purchased at the door for \$5.00 each.

Puffs Synopsis:

"For seven years a certain boy wizard went to a certain Wizard School and conquered evil. This, however, is not his story. This is the story of the Puffs . . . who just happened to be there too. A tale for anyone who has never been destined to save the world. This clever and inventive play 'never goes more than a minute without a laugh' (Nerdist), giving you a new look at a familiar adventure from the perspective of three potential heroes just trying to make it through a magic school that proves to be very dangerous for children. Alongside them are the Puffs, a group of well-meaning, loyal outsiders with a thing for badgers 'who are so lovable and relatable, you'll leave the theater wishing they were in the stories all along' (Hollywood Life). Their 'hilariously heartfelt' (Metro) and epic journey takes the classic story to new places and reimagines what a boy wizard hero can be."

Jaguar Activity News!

A Note from our AHS Activities Director/Associate Principal...

What do we have for you and what can you learn? We like to say we have some activity, sport, and/or club for every student at Ashwaubenon High School. All our activities belong as integral parts of the high school experience. Our high school sports are full of tradition, excitement, and pride. Our different activities from DECA, forensics, fall musical, formula student, spring play, art club, band, Encore, chess club, math team, etc. all have their appeal to our students. Are we providing opportunities for students to be involved and engaged? Are you, as the adult, acting and encouraging your child to participate and are you displaying good sportsmanship, win or lose? Are you setting the example? It starts with recognizing that the experiences and athletic events our students choose to participate in are all part of a valuable life lesson and the way we all act matters.

Our coaches work hard to instill the right way to play and compete in our student-athletes. Our advisors and teachers push students to excel when they are part of the club or activity. They all strive to teach students the tools to be successful in the "real world." Speaking with and engaging peers and adults, facing adversity with dignity, and learning to persevere are a few of the tools that are taught. With that in mind, have you thought to say thank you as a player, participant, parent, coach, or spectator? Our kids participating should be appreciative, to their teammates, to their coach, and to their parents for being supportive. Our parents should return the thank you to their children for being involved in a great environment and positive atmosphere. High school sports and activities are meant to be one of the greatest learning environments there is for young people to experience.

Our spring season is just underway. Our AHS students continue to be part of an amazing year with a long list of co-curricular accomplishments! From individual State success in the fall sports of girls swim and cross country, an outstanding musical, to our winter athletes at state boys swim, DECA state success, winter band and choir concerts, state cheer and state dance competition, to the spring activities of forensics, formula student, spring play, eco club activities, and our athletics looking to advance well into the tournament series. The school year has been a success both in terms of wins, student pride, effort, sportsmanship, and doing it the right way. Please remember to say "thank you" to a coach, an advisor, an official, your parent, and/or your son/daughter for the season and activity they are involved in. We hope that with summer break arriving soon, you will all be able to enjoy the time outside of the ongoing activities.

And a final "thank you" to our graduating senior students for the time and effort they have put into being a part of the Jaguar family the past four years. Remember... Once a Jaguar, Always a Jaguar!

Have a great summer!
