2019 Homecoming Guidelines

Campus Security/Access
◆ The Ashwaubenon Public Safety Department will be on campus providing security during the entire week of Homecoming.

◆ All school sponsored events will finish before 10:00 p.m. Students will not be allowed on campus after 10:00 p.m. from Monday, September 16 to Thursday, September 19. Students on or near campus buildings will be questioned by Ashwaubenon Public Safety and may be cited.

Homecoming Expectations/Beliefs
◆ Learning will remain the main focus of the week.

◆ Positive decision making must be the order of the week during Homecoming. Have as much fun as possible, but stay within the limits.

◆ Homecoming must be a positive experience for all people. All students and athletic teams will be represented in the planned activities. It will be a celebration which represents all fall activities and participants.

◆ Everyone’s rights will be respected at all times. Ashwaubenon High School will not promote activities where people are subjected to acts of vandalism.

◆ Homecoming is a privilege, not a right. Positive decision making by students will ensure that it remains an AHS fall tradition. Poor decision making will jeopardize this privilege.

General Facts
◆ All sanctioned Homecoming activities are held on the AHS campus. These are the only approved activities. AHS does not sanction decorating efforts throughout the Village of Ashwaubenon. Toilet papering private homes and village property are not part of the approved Homecoming plans.

◆ The Ashwaubenon Public Safety Department is an active partner in planning Homecoming. They also have the same goal of having a great set of activities while remaining safe and respectful.

Homecoming Dance
The Homecoming Dance will be on Saturday, September 21 from 7:00-11:00 p.m. in the Ashwaubenon High School auxiliary gymnasium. The dance is semi-formal in nature. Appropriate dress includes dress slacks, dress shirts and ties for males, with equivalent dress for females. T-shirts, blue jeans, tank tops and shorts are not considered appropriate attire. All AHS students in good standing may attend. Students bringing a guest who does not attend Ashwaubenon High School must pick up a Guest Pass Application from the main office. The completed guest pass must be on file in the main office by Friday, September 20 in order for the guest to be admitted to the dance.

As part of our ongoing AODA awareness and prevention goal, all students will undergo an alcohol breathalyzer test prior to entering the dance.

Make it a safe and enjoyable Homecoming!
September, 2019

Ashwaubenon Students, Parents and Faculty,

The Ashwaubenon Department of Public Safety and the Ashwaubenon School District are challenging students to have a safe and trouble-free Homecoming week. We hold all Ashwaubenon students to a high standard of conduct. When participating in Homecoming week activities we expect and encourage these activities to be safe and legal.

Ashwaubenon Public Safety has adopted a Zero-Tolerance Policy during Homecoming. Anyone caught in violation of Village ordinances or State laws during Homecoming week will be cited or arrested. Public Safety will be aggressively enforcing Loitering, Trespassing, Criminal Damage to Property, Alcohol, Curfew and GDL traffic violations.

Zero-Tolerance is led by example and includes all students, parents and faculty. Let’s set the example together of good, clean fun so others can see just how great Ashwaubenon is.

Have a safe and enjoyable Homecoming!

Sincerely,

Tom Rolling, Interim Chief of Police

Serving our community with P.R.I.D.E.
