Ashwaubenon School District Hires Math Teacher/Football Coach

Ashwaubenon, WI – January 22, 2019- Ashwaubenon High School has hired Brian Ryczkowski as a math teacher and head football coach at Ashwaubenon High School. Ryczkowski has taught in the Little Chute School District and led the Little Chute football program since 2013. He comes in with the experience of guiding his team deep into the WIAA playoffs, year in and year out. His 2014 team was state runner-up, and this past season he guided the Mustangs to a perfect regular season and a Level IV playoff berth. He is excited to take the opportunity to lead the Jaguar football team, explaining, “I am very excited to begin working with all the students at Ashwaubenon High School and leading the football program. The tradition, pride and reputation of the Ashwaubenon football program and school is one I am honored to lead. I look forward to working with the outstanding students and athletes in Ashwaubenon. My wife and I would like to thank the administration for giving us the opportunity to be part of this great school and community.”

Activities Director/Associate Principal Nick Senger said, “I’m excited for Brian Ryczkowski to take over. He was among a highly qualified pool of candidates, and he quickly rose to the top. He is poised, charismatic, and displays the leadership qualities we were looking for in the leader of the Ashwaubenon football program. He has an outstanding track record on the football field, but more importantly is an outstanding classroom teacher. He understands the role of interscholastic athletics and what it will take to stay and be competitive in the FRCC. Most importantly, he demonstrated to the committee the ability to take our young men and make them into outstanding individuals. He wants to see success and growth in each student-athlete he works with, on and off the field.”

“We welcome Brian, his wife, Jayne and his two little girls to our Jaguar community. I know he is excited to get to know the student-athletes he will be teaching and coaching. We are fortunate to have Brian working with our students. He will do an outstanding job leading our kids,” added Senger.

Ryczkowski will start with his football duties immediately and begin his teaching duties in the fall.
