DI Instant Challenge Workshop

Ashwaubenon, WI – January 17, 2018 –Valley View Elementary School will host the Green Bay Regional Destination Imagination (DI) Instant Challenge Workshop on Saturday, January 20th. More than 50 competitive DI teams in grades three through high school from Green Bay, Seymour, Howard Suamico and Ashwaubenon schools will complete in four instant challenges during the workshop.

Participating teams will test their creativity, teamwork and problem-solving skills in the challenges. Challenges may be verbal, non-verbal, building, designing, improvising, acting, artistic or a combination of skills. All challenge solutions must be completed within a given time frame. Team leaders will not formally appraise the teams but rather ask them questions to stimulate follow-up conversations and prepare them for the regional tournament competition in February. The workshop will be fast-paced, productive, and fun.

Destination Imagination is the world's largest competitive creative and problem-solving co-curricular activity. It helps build students' skills in creative problem solving, teamwork, leadership, critical thinking, research, inquiry, innovation, technical design, construction, presentation and playwriting. More than 17,000 students in 45 countries participate in Destination Imagination.
