Dr. Andrew Bake Announced as Director of Curriculum and Instruction

Ashwaubenon, WI – February 28, 2022 —Dr. Andrew Bake, the current Principal at Valley View Elementary School in Ashwaubenon, has been announced as the district’s Director of Curriculum and Instruction effective July 1, 2022. This appointment is the result of the current Director of Curriculum and Instruction, Jill Kieslich, retiring at the end of this school year.

Bake holds a Bachelor’s Degree in Elementary Education from UWGB, a Masters in Educational Leadership from Marian University and a Doctorate in Educational Leadership from Edgewood College. Before serving as Valley View’s Principal for the past four years, Bake was the Associate Principal for eight years following being a second grade teacher at the school. Prior to that, he was an elementary and middle school teacher in Oconto.

Bake expressed his feelings towards the announcement by stating, “I have been incredibly lucky to work with the amazing staff, students, and families of Valley View for seventeen years. I am proud of the work that has been done and the relationships I have made during that time. I look forward to working with staff across the district to build on the great work that has already been done in the areas of curriculum, instruction, assessment, and professional development.”
