Doug Pieschek Announced as Valley View Associate Principal

Ashwaubenon, WI – April 20, 2018 —The Ashwaubenon School District is happy to announce Doug Pieschek as the new Associate Principal at Valley View Elementary School effective at the start of the 2018-19 school year. Pieschek will be taking over for Andrew Bake, who recently accepted the position of Principal at Valley View for the upcoming school year.

Pieschek comes to Ashwaubenon with eleven prior years of experience teaching in the Howard-Suamico School District. He taught physical education at Howard Elementary School for ten years as well as physical education and health for one year at Bay View Middle School. In addition to his teaching experience, Pieschek has served as the PBIS facilitator, led the district physical education department, and was a leader of continuous improvement work and strategic planning. He also took the lead on the school's learning assistance team and ran several staff professional development opportunities. He has a true passion for developing connections with kids and working with families, especially those facing trauma and financial challenges.

Andrew Bake states, "The students, families, and staff at Valley View will be very well served by Doug. His passion for learning and for working with children was very evident throughout the interview process. I am certain his experiences and the leadership opportunities he has had in his previous district are an outstanding match for Valley View."

For more information, please contact Brian Hanes, Ashwaubenon School District Superintendent, at 920-492-2905 extension 1003 or bhanes@ashwaubenonk12.org.
