Ashwaubenon, WI – March 14, 2019 -- Congratulations to Bailey Braun for receiving the Ashwaubenon High School Art Student of the Month for February. Bailey is currently the Art Department assistant, where she has been cutting mats for the artwork that will be on display in the high school art show. Bailey is an asset to the art classes by displaying her positive work ethic, integrity, and conscientiousness.

What art classes have you studied at Ashwaubenon High School or in the community?

I have studied many art classes including ceramics, art metals, drawing, painting, and digital photography.

What is your favorite medium and why?

My favorite medium is acrylic paint because I find it easy to work with.

How do you envision art as a part of your life?

I envision art as a part of my life because it helps express emotions, it gives me the opportunity to showcase my talents and relieves stress.
