German Club Community Service at NEW Community Shelter

Ashwaubenon, WI – March 15, 2018 – On March 4th, Ashwaubenon High School German Club members and their families purchased, prepared and served meals to the residents and guests of the Northeast Wisconsin Community Shelter. The members' participation in this outreach project was part of their community service project for the year.

To fund this project, Frau Melanie Lasee *Dashed for Cash* in January with more than 30 other area teachers. She grabbed \$396 at this event, which was sponsored by North Shore Bank and the Green Bay Gamblers. With the donated money, the club was able to not only purchase the ingredients to make the meal, but were also able to purchase additional personal items for individuals in need.

Students effectively worked together to cook a delicious meal, enjoyed by all. They served 179 meals, 14 of which were served to children. They were a great representation of Ashwaubenon High School, giving of themselves to others who may be less fortunate.

Please contact Melanie Lasee, Ashwaubenon High School German Teacher, at mlasee@ashwaubenonk12.org for more information.
