### Senior Jaguar Prowl Scheduled to Take Place on May 20<sup>th</sup>, 2020

**Ashwaubenon, WI – May 18, 2020** – Ashwaubenon High School seniors and staff will take part in its first ever Jaguar Prowl on Wednesday, May 20<sup>th</sup>. This event provides an opportunity for the graduating class of 2020 to decorate their vehicles, dress up in their cap and gowns, and have a parent/guardian drive them in a loop of nostalgia past the high school grounds. The event will begin at 5:00p.m., with a fire truck leading the caravan of vehicles.

The Jaguar Prowl route will begin at the Ashwaubenon Community Center. Vehicles will travel up Anderson and then into the Ashwaubenon High School parking lot. The route will continue onto Ridge Drive and turn into the staff parking lot near the Ashwaubenon Performing Arts Center. The route will end with the student vehicles turning into the main lot in front of the high school building. This route will allow students to travel past memorable locations including the school's football and multi-use field, the field house, the Natatorium, the academic wing and music wing of Ashwaubenon High School, and the Performing Arts Center.

In order to honor the graduating class of 2020, several elementary and middle school staff members have placed signs along the route, congratulating and wishing the seniors well. There will be three separate stops along the route where students will pick up personalized envelopes, including their graduation booklets and notes from kindergarten through high school teachers and staff members, senior t-shirts, and Jaguar yard signs.

The Jaguar Prowl will end at 6:00p.m. Following this event, a virtual ceremony will be held at 6:30p.m., honoring seniors receiving academic scholarships. The ceremony link will be shared with graduating seniors, their families and staff to view digitally.
