

SUMMER DAY CAMP!!!

Village of Ashwaubenon

WHAT OUR CAMP IS ALL ABOUT:

Having safe fun and making summer memories will be our main goal! Camp is the time for children to grow as individuals and discover who they are. Our fully supervised Summer Day Camp will focus on 10 different weekly themes. We will have field trips, games, open swim, crafts and educational activities relating to our theme of the week. Day Camp will keep children physically active and learning in fun ways throughout the summer. Our partnership with the Ashwaubenon School District will help provide the educational tools needed to grow.

Summer Day Camp offers 10 fun-filled weeks, open to children ages 7-12! You may sign your child up for the entire summer or for any individual week if space allows. Camp begins June 10th and will run through August 16th. Daily camp hours will be Monday-Friday 7am-6pm. No camp on July 4.

Camp Week	Theme
WEEK 1 June 10-14	Summer Kickoff Ashwaubenon Bowl
WEEK 2 June 17-21	Take Me Out to the Ball Game Rockers Game
WEEK 3 June 24-28	Sky High Xtreme Air

Pickup: 4:00pm-6:00pm

Visit ashwaubenon.gov to view our Summer Day Camp Handbook

How to Sign Up

Where: Ashwaubenon Community Center
900 Anderson Drive

When: Friday, February 9th

How: All Camp registration forms are required and must be submitted along with at least 1 weeks payment. All required forms are available online at ashwaubenon.gov or at the Ashwaubenon Community Center.

With the overwhelming demand last summer we must implement a new registration process. We will be using a tiered priority system for registration in 2024.

Tier 1 will be for returning Ashwaubenon resident families who are registering for 9 or 10 weeks of camp in 2024. This tier is guaranteed a spot for all children registering for the required amount of weeks. Only children living at your residency that are immediate family qualify for this tier. Registration will be from 8am-8:45 am for this tier. You will receive a number for the sole purpose of registration order. We will be using the 2023 camp roster to verify enrollment. You must still bring proof of current Ashwaubenon residency. You are required to be present when your number is called.

Tier 2 will be for new Ashwaubenon resident families who are registering for 9 or 10 weeks who did NOT participate in 2023. This tier is based on availability after the tier 1 registration. You will want to get your lottery ball before 8:45 am. Each family will receive 1 lottery ball no matter how many children are in the immediate family. We will start registration with ball 1, then ball 2, then ball 3 and so on, until all spots are filled or all numbers are called. Registration will begin at 8:45am or at the conclusion of tier 1 registration whichever is later. You must bring proof of current Ashwaubenon residency. You are required to be present when your number is called.

Tier 3 will be for all non-residents of Ashwaubenon (open enrolled) or anyone registering for 8 or less weeks of camp. This will be dependent on how many spots are available (if any) after Tier 1 and Tier 2 registration. You will want to get your lottery ball before 9:30 am. Each family will receive 1 lottery ball no matter how many children are in the family. We will start registration with ball 1, then ball 2, then ball 3 and so on, until all spots are filled or all numbers are called. Registration will begin at 9:30am or at the conclusion of tier 2 registration whichever is later. We expect availability to be very limited for this tier. You must be present when your number is called.

A waitlist will be generated after all spots have been filled. We have enrolled a fair amount of campers off the waitlist in previous years. Summer vacation plans, changing family situations, or unexpected events can lead to spots opening. Spots will be filled off the waitlist in the order we receive the registrations based off of the lottery numbers from Tier 2, and then Tier 3.
