# ASHWAUBENON CARES

*Every day children come to school without their basic needs met.*

*ASHWAUBENON CARES has been established to provide families the opportunity to help each other.*

**ASHWAUBENON CARES** is a network of people who receive email notifications when an Ashwaubenon student or family is in need. Items requested may be as simple as 4T pants, winter boots, or bedding which can be new or gently used.

### **How It Works:**

- A student and/or family need is brought to the attention of the school social worker.
- When appropriate, the school social worker will email the Ashwaubenon Cares Network.
- Those who wish to donate can make arrangements with the school social worker who is requesting the specific item by emailing the social worker directly. .
  - o Laura Beschta: High School - [lbeschta@ashwaubenonk12.org](mailto:lbeschta@ashwaubenonk12.org) or
