

WELCOME TO CORMIER SCHOOL!

AUGUST/SEPTEMBER 2023

Letter from the Principal

Hello Cormier Families,

I want to take this opportunity to welcome all of you to the 2023-24 school year. I can't wait to see all of our current students again and I am so excited to get to meet all of our new students. It always warms my heart to see the hallways filled with such energy, excitement, and smiles to start the new year.

Our district vision is "Excellence in education so every student will achieve their full potential". I know that our outstanding Cormier staff will make this vision a reality. They have such a passion for early childhood education and will do anything to meet the needs of every learner and make learning fun and rewarding for your child.

Once again, welcome to Cormier! I am looking forward to a great school year. We are excited to work with your child and build a strong foundation for their educational journey.

In this packet you will find information to help you as you plan for the new school year. Please feel free to call the school office any time you have questions or concerns. 920-448-2870.

Sincerely,

Brian Carter
Cormier School Principal
