

Valley View Career Event Volunteers Needed!

Interested in sharing information about your career with our students? Please consider volunteering for one or both of these fun events to help students explore careers.

Career Day in May, Date to be determined. students in grades 3 - 5

This event is held indoors for our 3rd, 4th, and 5th grade students to learn about careers. We are looking for volunteers to share information about their career such as job duties, education, and showcasing any equipment/tool used or doing a short hands on activity. Presenters could possibly do about 4 sessions that last around 20 minutes. We will have more information once we receive how many people are interested.

Careers on Wheels in May, Date to be determined. students in grades 1 and 2

This event is held outside for our 1st and 2nd grade students. We welcome community members to bring their work vehicle to our parking lot. Presenters will show students their vehicle and talk briefly about what they do at work. Students rotate with teachers in groups every 7-9 minutes, so multiple presentations will be done that morning.
