

December Library News

Call Erin Sawaski or Kathy Rolling, 448-2875, ext. 7113, for more information regarding Cormier's library.

Book Care

We are extremely pleased with the enthusiasm the students have demonstrated when coming to the library. We are noticing some books coming back with scribbles and/or with the spine and barcode labels peeled off. Parents, please help your child remember proper book care.

Book Returns

The students are excited about checking out library books! Parents, please help your child remember his or her library book on their Library Day. You as parents can make it even more enjoyable by reading the book to your child before they return it to the library.

Library Books and Snow Don't Mix

Snowy, wet weather has arrived! In order to protect your child's library book we ask that your child **NOT** stuff their backpacks or book bags with their wet snow pants, mittens, hats, and boots. Please use the Bee Book Bags given to each student at the beginning of the school year, or send along a plastic grocery bag or large ziploc bag that can be used to protect their library book from wet clothes and art projects with wet glue or glitter. We continue to remind students how important it is to take good care of their books. Please discuss this with your child at home also. Thank you for your help.

Birthday Book Club

We would like to thank the following student for her generous donation of a new book for our library during the past month: **Lewellyn in Mrs. Foote's a.m.class**. What a wonderful way to show your support for our library. We really appreciate the books! If you are wondering what to donate, this is a wonderful time of year to supply books with a winter or snowman theme, or your child's favorite!
