

# ***Family Reading Night***

The second grade teachers would like to invite you to Family Reading Night! Family Reading Night is an opportunity for you and your children to come to Valley View to read together and to talk about books.

***When: Thursday, February 22nd (6:00pm - 7:00pm)***

***Where: The Valley View Library Media Center***

We will share a book, do an activity and allow family reading time. Our theme this month will be **"Sprinkle Kindness"**. Participants will decorate a cookie with a variety of sprinkles after brainstorming ways we can sprinkle kindness. Please bring your favorite books to read together. All children must be accompanied by an adult to participate. Please join us on Family Reading Night!
