

Looking for some new Jaguars apparel?

Valley View and Pioneer have partnered with Hope Clothing to meet all your apparel needs! Hope is a locally owned and operated boutique. The new Ashwaubenon line of clothing will support the principal's fund at both Pioneer and Valley View, with 20% of all purchases being split evenly between the two elementary schools. The principal's fund supports the immediate needs of students with funding that is not otherwise available in the school budget.
