### Message from Superintendent Weyers

Dear Ashwaubenon Students, Staff, Families, and Community Members:

Welcome back to the 2024-2025 school year! I hope you all had a restful and rejuvenating summer break. As we step into this new academic year, I am filled with excitement and optimism about the opportunities that lie ahead. I want to remind all of our families and community members that we are starting school earlier this year with our official first day of school on Wednesday, August 28, 2024. This is due to the NFL draft coming to Green Bay in April of 2025.

This year, we continue to build upon our commitment to excellence through our Ashwaubenon School District's Strategic Plan, centered around five key pillars that guide our work and inspire our progress:

- **Pillar 1: Authentic Relationships:** Student success is directly connected to authentic relationships. We embrace an environment for students, staff, families, and community members that supports a shared responsibility for student success.
- **Pillar 2: Safe, Inclusive Learning Environments:** Our systems of support ensure the physical, social and emotional safety for all members of our school community.
- **Pillar 3: High Expectations for ALL:** We utilize data and provide the necessary instruction to ensure high levels of growth in the learning of every student.
- **Pillar 4: Empowered Staff:** We value our staff in their professional growth needs and support efforts to ensure their success.
- **Pillar 5: Allocation of Resources:** The process for allocating resources is collaborative and transparent. We allocate money, time, people, and facilities based upon requirements and priorities.

As we embark on this new school year, I am confident that by focusing on these five pillars, we will continue to create a dynamic and enriching educational experience for all our students. I know that each of our 3,200 students and 400 staff members have the GRIT (Passion and Perseverance) to help each child reach their full potential. I encourage you all to embrace the opportunities ahead, support one another, and work together towards our shared goals.

Thank you for your continued dedication and partnership. Let's make the 2024-2025 school year our best yet!

With Sincere Gratitude,  
Kurt Weyers, Superintendent of Schools
