ASHWAUBENON SCHOOL DISTRICT COMMUNITY NEWSLETTER

JUNE 2024

Message from Superintendent Weyers

Dear Staff, Students, Parents and Community Members,

As we close out on another amazing school year in the Ashwaubenon School District, I want to extend my heartfelt gratitude to each of you for your unwavering dedication and support. Our staff's commitment to fostering a nurturing and engaging educational environment has been truly inspiring. Your passion and hard work have not only enriched our students' learning experiences, but created a strong foundation for their future success. To our students, especially our graduating class of 2024, your resilience, enthusiasm, and eagerness to learn have been the driving force behind our collective achievements. You have demonstrated exceptional growth and adaptability, and we are extremely proud of each and every one of you.

I also want to express my deepest appreciation to our parents/guardians and community members, whose involvement and support have been incredible. Your partnership continues to play a crucial role in creating a thriving school community/village here in Ashwaubenon. From volunteering your time to providing resources and encouragement, your contributions have made a significant difference. Together, we have celebrated many successes, navigated through minor bumps, and built a stronger, more connected educational family. We are always STRONGER TOGETHER!

As we look forward to the 2024-2025 school year, I am filled with optimism and excitement for the continued growth and achievements that lie ahead. Thank you for making this past school year truly wonderful.

With sincere gratitude,
Kurt Weyers

congratulations **CLASS OF 2024**

Ashwaubenon High School would like to wish all of our students a safe, happy, and active summer. We congratulate all of our graduating seniors! This class started high school with the unique situation of COVID restrictions but hit the ground running with academics, co-curriculars, arts and career planning. They walked across the stage on June 9th, ready for the world of work, ready for post-secondary education or training, and ready to participate in our community! We are proud of them, and we wish them all the best! Go Jags!

Parkview Middle School

On Friday, May 10th, Parkview Middle School students and staff participated in the second annual Jag Jog, a one-mile fun run. Parkview students began fundraising in early April to promote the Parent Faculty Club-sponsored Jag Jog. The \$24,955 that was raised will be used to promote wellness at Parkview Middle School. On behalf of Parkview's entire student body and staff, Kris Hucek & Michael Heim would like to extend their sincere gratitude to the Ashwaubenon Learning Community and Bonnie Vangalis for their donations, sponsorships and time volunteered to help make our second Jag Jog a huge success!

Pioneer Elementary School

Pioneer 5th grade students participated in a 5th grade Farewell on May 30. This was a memorable night celebrating our 5th grade students' journey at Pioneer Elementary.

We are proud of our Pioneer students and their amazing academic and social emotional growth through the years! Congratulations!

On Thursday, May 30, Ashwaubenon High School seniors dressed up in their caps and gowns for the traditional walk-through of schools in the district. They started at Pioneer, and then made their way through Cormier, Valley View and finally Parkview Middle School. Students walked through hallways at each school, greeting and celebrating with students in those schools. It was a great celebration of academic success for seniors and served as a fun example for the goals and plans of younger students.

Valley View students recently took part in our Raise Craze Fundraiser, collecting donations from family and friends while performing Acts of Kindness throughout the community. Every student participated by chalking positive messages on the sidewalks around the school. Together, we raised over \$5,500 and completed 3,455 Acts of Kindness! A big congratulations to all Valley View students for making our school and community a kinder place!
