

# January Library News

*Call Erin Sawaski or Kathy Rolling, 448-2875, ext. 7113, for more information regarding Cormier's library.*

## **Library Book Care Reminder**

If a book becomes ripped or damaged, please send the book back to the library with a note so that the page(s) can be repaired with special book tape. **Being kind to books is practiced during library but we need your help at home also.**

## **Book Returns**

The students are excited about checking out library books! Parents, please help your child remember his or her library book on their Library Day. You as parents can make it even more enjoyable by reading the book to your child before they return it to the library.

## **Library Book and Snow Don't Mix**

Snowy, wet weather is here to stay! In order to protect your child's library book we ask that your child **NOT** stuff their backpacks or book bags with their wet snow pants, mittens, hats, and boots. Please use their Bee Book Bags or send along a plastic grocery bag or large ziploc bag that can be used to protect their library book from wet clothes and art projects with wet glue or glitter. We continue to remind students how important it is to take good care of their books. Please discuss this with your child at home also. Thank you for your help.

## **Birthday Book Club**

If your child has a birthday coming up soon, you can commemorate their special day by donating a brand new book to our library! We will recognize their gift to our library during their library class time, and place their name on the inside of the book and on our Birthday Book Club bulletin board. What a wonderful way to show your support for our library and we really appreciate the books!! If you are wondering what to donate, choose one of your child's favorite books, or this is a wonderful time of year to supply books with a winter or snowman theme.

## **2nd RIF Distribution**

We will be having another Cormier RIF book distribution in February! All students will once again be able to select a brand new book to keep for their very own. We will be celebrating with the theme of "Franklin Loves Reading" on Friday, February 9th, and encourage staff and students to wear **GREEN** that day!
