Ashwaubenon Hires Boys Soccer Coach

Ashwaubenon, WI – July 23, 2021- Ashwaubenon High School has hired Ken Vaughn as the new boys soccer coach at Ashwaubenon High School.

Activities Director/Associate Principal Nick Senger said, “I’m excited for Coach Vaughn to take the program over. He comes with a ton of energy and ability to connect with our student-athletes. He will get our student-athletes ready to compete and instill the attitudes and beliefs we want in our young men.”

Vaughn said about being named coach, “I’m honored and thrilled to be given the chance to lead this program in this very challenging conference. I look forward to the opportunities to mentor and coach these players not only to improve their soccer playing but also to continue to become upstanding citizens in the community. I will work tirelessly to improve our boys' skills and repay the faith and trust that the administration has put in me to lead the program. These are exciting times for everyone involved and we have a chance to begin building our legacy starting now!”
