National Library Week

National Library Week is **April 6-12th**. The American Library Association and libraries across the country will be celebrating the contributions of our nation's libraries and librarians and promoting library use. We are giving every student an opportunity to earn a free scoop of frozen custard and/or a kid's meal from the Ashwaubenon Culver's by visiting the Ashwaubenon Public Library and reading! A letter and book care form will be sent home the week of 3/31 - 4/4 explaining our program. Fill out the book care form and turn it in at the Ashwaubenon Public Library located at 1060 Orlando Drive by May 27th. Once you turn in the form you will receive a Culver's bookmark for tracking your reading. Reading 5 books will earn you a free scoop of Culver's frozen custard and reading 5 more books (total of 10) will earn you a free Culver's kid's meal. While you are at the Ashwaubenon Branch, take some time to see all that they have to offer. Your public library offers free access to books, computers, and so much more!
