**Ashwaubenon Fishing Club Receives Donation from Nate Dax Family**

*Ashwaubenon, WI – September 14, 2021*- The Nate Dax Memorial Bass Open has generously donated \$14,000 to the Ashwaubenon High School Fishing Club. Nate was a 2009 graduate of Ashwaubenon High School and his goal after graduating from UW-Oshkosh was to have an open water fishing club at Ashwaubenon High School. Nate passed away unexpectedly in 2016 due to heart complications after a long, hard battle against Muscular Dystrophy.

Fishing Club Advisor Kevin Phillips said, “This donation will make Nate’s dream come true. I cannot thank the Dax family enough. This donation will allow our club to continually grow and give students an opportunity to experience the open water through fishing.” Activities Advisor/Associate Principal Nick Senger states, “What a generous gift. I would like to thank the Dax family for their awesome donation towards our fishing club. There are a good number of students that participate in the club and they will benefit from the donation. Any day on the water fishing is a good day!”
