Ashwaubenon Hires Raelynn Wingert as Softball Coach

Ashwaubenon, WI – August 22, 2024- Ashwaubenon High School has hired Raelynn Wingert as the next softball coach at Ashwaubenon High School.

Activities Director/Associate Principal Nick Senger said, “We have had an outstanding string of softball coaches since Phil Adam started the program in 1978. Our teams continue to be focused on being the best they can be and it is evident they have had outstanding coaches leading them by the way they play and carry themselves. Coach Wingert will continue pushing and leading our girls in the right direction. The passion Coach Wingert has for developing our girls as not only softball players, but young women is seen in her coaching style in the tennis program and as an assistant in our softball program over the last five plus years. I’m excited for Coach Wingert to be the leader of the program and to put her mark on Ashwaubenon softball, but more importantly have a positive impact on our students at Ashwaubenon High School.”

Wingert said about being named coach, “I am beyond excited and honored to take on the role of head coach for the Ashwaubenon High School softball program. This community has been incredibly welcoming, and I am grateful for the trust and support I’ve received from everyone here. Ashwaubenon has a rich tradition of excellence in softball, thanks to the tremendous leadership that’s come before me. I’m inspired by the legacy built over the years and I’m fully committed to continuing that tradition while putting our own mark on the program each year. This program means a great deal to me, and I’m passionate about developing our athletes both on and off the field. We’re going to work hard, play with pride, and push each other to be the best versions of ourselves every day. I’m pumped up about what the future holds, and I can’t wait to see Ashwaubenon softball competing at a high level for years to come. Together, we’ll keep building something special here. Go Jags!”

Coach Wingert is also the head girls tennis coach at Ashwaubenon High School. She will be reaching out to softball players and families in the coming weeks.
