

ROCK YOUR SOCKS

Thursday, March 21st is World Down Syndrome Awareness Day and to support our friends with down syndrome, we're asking everyone to join millions of other people around the world to "ROCK YOUR SOCKS" by wearing your craziest socks.

It's easy enough to participate. Just stick your hand in your sock drawer and see what comes out. Bright and colorful socks, striped, mismatched, just as long as you're making a statement.

Invite your friends because WE are more alike than different...now get ready to "ROCK YOUR SOCKS!"
