Dear Parents/Guardians/Caregivers of Ashwaubenon School District Students,

We are pleased to announce that Terrence Talley, renowned and highly sought after school assembly speaker, will visit Parkview Middle School this Wednesday, April 17th, 2024. In addition to speaking to our middle school students in an assembly during the school day, **he will also offer a community presentation on Wednesday, April 17th, 2024, from 6:00 to 7:00 pm at Parkview Middle School.** Talley's message focuses on resilience and hope through a combination of humor and inspiration for students and adults alike.

We've been striving to increase conversations about mental health awareness throughout our district and offer further opportunities for support. We wanted to allow our community to experience this impact and learn new ways to continue to work together to support one another and our students.

If you would like to attend the community presentation, please RSVP [HERE](#). If attending, please enter through the main doors at Parkview Middle School.

TERRENCE'S MISSION:

"I believe what happens to a student today will effect your community tomorrow. That's why it's important to not only educate their minds but their hearts as well."

On behalf of the PFC and Parkview's PBIS Team, we thank you for your help and your support.
